**Subject:** Update summary of lamprey collection in Willamette  
**Date:** 10/20/2006 12:29 PM

---

Jim, Bob and Rick

This is to request an updated version of the field note summary tables showing the current status of the lamprey sampling results for the Willamette River sampling. I think the latest information that we have was provided by Valerie on October 11th. Please let me know if you have any questions regarding this request.

thanks  
Chip Humphrey
